1 Policy Statement

At risual Education, we are committed to providing high quality services for our community, by taking account of stakeholder views, and using the findings to continuously improve and develop our services. This document details the Complaints Policy and Procedure. A complainant may be a student, prospective student, parent, employer, or any other interested party that indicates dissatisfaction with the current level of service.

2 Responsibilities

2.1 Overall responsibility for this procedure lies with Director of Education

2.2 All staff have a responsibility to try to resolve complaints informally.

2.3 All staff have a responsibility to forward complaints to the Quality Manager, should customers remain dissatisfied.

3 Policy

3.1 We will investigate your complaint thoroughly and objectively and it will be regularly monitored by the Quality Manager.

3.2 We aim to resolve your complaint within ten working days – however, some complaints may take longer, especially if the issue is more difficult to resolve.

3.3 We will communicate an approximate timescale for a resolution, where possible

3.4 Complaints should be raised within 12 months of the original issue so that evidence is available for the investigation.

3.5 An investigation may not be possible (or could be limited) for anonymous complaints, depending on the amount of information provided by the complainant.

3.6 Records relating to complaints will be retained for up to three years.

3.7 Complainants should be aware that our staff have the right to work in a pleasant and safe environment, and any violent or abusive behaviour towards staff will not be tolerated.

3.8 risual will ensure that students will not be treated less favourably if they make a complaint, if this is found to be the case, staff disciplinary procedures will be followed.

3.9 Students should be aware that malicious complaints received in any form would be dealt with in line with the Disciplinary process.

3.10 Depending on the circumstances, where a complaint leads to disciplinary action against risual staff, risual may need to keep certain aspects of the outcome confidential in accordance with data protection/GDPR regulations.
